

## How to subscribe to NCPC audio sermon podcasts in iTunes

1. Download and install a software music player capable of subscribing to Podcasts. We recommend **Apple's iTunes** , which is available for free without any registration.
2. Browse to the North Creek Sermon Audio webpage (<http://www.northcreekpres.org/sermons>).
3. Click on the link labeled "Subscribe" located at the top of the page. Follow the instructions.

**Note:** Link should look like:

After step three is performed, iTunes should automatically connect to the NCPC website and download the latest additions to our audio gallery. iTunes will automatically check the Audio Gallery page for updates and download them as they become available.
